

## 6x14 Bullnose Coping

The 6x14 Bullnose Coping is the perfect complement to finish exposed edges at steps and pool decks. The 14" length allows for a more comfortable step tread and an attractive rounded bullnose edge. It can also be field cut on the bullnose side to present the finished flat edge on the opposite side.

This product is sold by the piece.  
2 pieces equals 1 linear foot.

### Stocked Colors:

**NOTE: ALWAYS VIEW PRODUCT SAMPLES PRIOR INSTALLATION** The color and texture of Angelus products are not specific to any product or groups of products. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. Not all products are stocked in all colors. Charts with more product related color availability are shown from product pages. Colors and textures represented in print and online are as close as possible to the actual product. Photographic techniques, printing techniques and viewing monitors – as well as actual viewing conditions – can alter perception of color.
